OFFICE OF INFORMATION
U. S. DEPARTMENT OF AGRICULTURE

GUIDE TO CATALOG

Publications of the U.S. Department of Agriculture are designed to be of service to the public . . . farmers . . . suburbanites . . . homemakers. They are listed because of their subject matter, regardless of date. Revisions are made continuously.

Up to 10 different publications will be sent free. If you need more we will consider a special request but please explain why you need extra copies. Otherwise, for quantity requests, or if the supply of any of the publications is exhausted by the time your request reaches us, you will be referred to the Superintendent of Documents, Government Printing Office, Washington 25, D.C., where prices will be quoted.

It is sometimes possible to obtain quantities from Members of Congress who receive an allotment of Farmers' Bulletins, Leaflets, and Home and Garden Bulletins for such distribution as they wish to make.

Extension workers should follow directions for ordering from their State publications distribution officer.

Students are requested to apply through their teachers who may receive limited quantities for school libraries.

For information on agricultural and homemaker subjects not included in this list, write to the Office of Information, U.S. Department of Agriculture, Washington 25, D.C.

Use order blank at end of catalog.

Order by letter and number and address all requests to:

FILMSTRIPS—

Filmstrips (Slidefilms) and slide series of the United States Department of Agriculture cover a variety of agricultural and home economics subjects. They are designed for use in teaching better farm and home practices. A price list is available from the Office of Information, U.S. Department of Agriculture, Washington 25, D.C.

PHOTOGRAPHS—

Reproductions of photographs which have been obtained in connection with the authorized work of the Department may be purchased. Prices for prints and enlargements will be quoted upon request. Address requests to Photography Division, Office of Information, U.S. Department of Agriculture, Washington 25, D.C.

MONTHLY LIST OF PUBLICATIONS AND MOTION PICTURES—

This list gives titles of printed publications and motion pictures released. It will be sent to anyone on request. Apply to the Office of Information, U.S. Department of Agriculture, Washington 25, D.C.

MOTION PICTURES—

The Department has available approximately 325 16-mm sound films, most of which are in color; a few are available in the 35-mm width. Approximately 250 of these films have been cleared for television showings. Agriculture Handbook 14, which contains a listing of the films with short descriptions, details regarding their loan from cooperating film libraries throughout the country, and purchase information, is available from the Motion Picture Service, Office of Information, U.S. Department of Agriculture, Washington 25, D.C.

FARM RADIO AND TELEVISION PROGRAMS—

For U.S.D.A. news reports, special features from research laboratories, Land Grant Colleges, interviews with U.S.D.A. officials and scientists, and special agricultural events, consult your newspaper for program time of NBC Farm Review, The American Farmer on ABC, "Agriculture USA," and daily farm reports on your local station. The Department also furnishes material regularly to many television stations on agricultural and homemaker subjects.
